

21" AERATOR

**LEGENDARY STRENGTH.
INCREASED MANEUVERABILITY.
PRODUCTIVITY MEANS PROFITABILITY.**

Exmark® walk-behind aerators—hands down, the best in the business—are another example of our team's innovative thinking. Sturdy and durable, these high-performance, easy-to-use machines can aerate in both forward and reverse, and also feature a hydro transmission with infinite speed from 0 to 4 mph.

FEATURES:

- Equipped with a Kawasaki® FJ180V KAI engine.
- 21-inch working width with 36 self-cleaning coring tines.
- Hydro-Gear® T2 transmission.
- Split tine shaft with independent idlers for easier turning with tines engaged.
- The three-position adjustable handle allows you to adjust the handle to the height of the operator. The handle also folds.

COMMERCIAL DURABILITY

Equipped with commercial-grade engines, these sturdy and durable machines are built to last and deliver the performance you need time after time.

EXCEPTIONAL CORE DEPTH

Our models feature durable, heavy-duty, self-cleaning tines and pull 4.6 quality plugs per square foot.

SPREADER ATTACHMENT

The S-Series comes standard with space for up to three 30-pound weights that can be added when working on heavy or extremely compacted soils.

The mowers landscape professionals trust 2 to 1.*
